COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

Least useful was Technical Counter Measures; however, much interested in subject as overall survey & up to date news. Developments in Medical Services best for me as from own. But do feel I miss well up to date here & could see thinking ahead.

Should consider the program a good step in making a loyal CIA in including the good overall views. Thought? it as being similar to EOD training except with clearance, a fresh understanding is there especially since it shows trends.

- C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

*Yes. However, had forgotten it
